

MSBA Wildwood School Building Committee meeting

Topic: Wildwood Project Updates

Time: September 20, 2022, 06:00 PM Eastern Time (US and Canada)

On July 16, 2022, Governor Baker signed into law *An Act Relative to Extending Certain State of Emergency Accommodations*, which, among other things, extends the expiration of the provisions pertaining to the Open Meeting Law to March 31, 2023. Specifically, this extension allows public bodies to continue holding meetings remotely without a quorum of the public body physically present at a meeting location, and to provide "adequate, alternative" access to remote meetings. The Act does not make any new changes to the Open Meeting Law other than extending the expiration date of the temporary provisions regarding remote meetings from July 15, 2022, to March 31, 2023.

This meeting of the Wilmington Building Committee/MSBA Wildwood School Building Committee is being conducted live via remote participation. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means.
