The District is revisiting a change in school start times for the 2023-24 school year.

The Wilmington School Committee and administration invite interested community members and staff to attend a virtual forum to provide feedback on the current proposal being considered. This will provide the opportunity to ask questions and learn more about the proposed change as well as the effects on student busing next year.

All are welcome!

If you are unable to attend the Community Forum but would like to provide your input, please use the following Feedback form link.
