Hello West Families,

I can't believe the new school year is fast approaching! Mrs. Collings has been busy ordering supplies and materials to be ready for opening day. The custodians are working on getting the building ready for the upcoming year. Many of our teachers are attending workshops, classes and trainings to continue their own learning this summer, so our students can look forward to more hands-on learning opportunities, group collaboration, and engaging, interactive activities throughout the curriculum. The Shawsheen/ West PAC is already booking enrichment programs and social events to enrich our students' school experience.

Don't forget that the teachers' **Supply Lists** are posted here our West Intermediate web page. If you have any questions, send me an email at dennis.shaw@wpsk12.com. **Please remember if you are purchasing any cleaning supplies for classrooms, they must be Green Works, Seventh Generation, or other EPA registered brand.**
