Dear Parents/Guardians,

Welcome to the Wilmington Public Schools. Kindergarten is a special time for young children. While starting school can mean many things, for most children kindergarten represents their first real, and formal, entry into elementary school. In Wilmington, the kindergarten program strives to create an experience that encourages the development of each child’s fullest potential. Clearly, no two children are alike, and they progress and learn at different rates with different learning styles. The kindergarten curriculum recognizes these variations and, using carefully prepared activities, it provides substance that enables young children to successfully negotiate early learning issues. Kindergarten provides a broad range of activities geared toward developing children’s skills with careful attention to individual differences. As with preschool, development in kindergarten hinges on children’s active interaction with their environment. We are pleased to be providing a full day program for your child.

This packet is filled with information and forms that you will need to register your child for kindergarten. Please pay close attention to the dates that the forms need to be returned by. When the forms have all been received and your child has been screened, he/she will be considered registered and you will receive his/her assignment in the summer. In August, you will receive log-in information to activate your child’s Aspen account. It is critical that you log in and complete all portions of the portal before your child begins school.

We encourage your support and assistance throughout the school year so that your child will have a successful and rewarding experience in kindergarten.

Sincerely,

Glenn Brand
Superintendent of Schools

To register a student for school, the parent or guardian must bring the following information to the school the child will attend:

- Massachusetts Transfer Slip (if enrolling from another MA district) with SASID number
- Birth Certificate (Original ~ must have seal)
- Current IEP (if applicable) with parent signature
- Health record (listing up-to-date immunizations)
- Proof of Wilmington Residency (see residency policy below)
- Proof of Physical Custody (if applicable)

RESIDENCY POLICY/PROCEDURE

The Wilmington School Committee adopts the following policy regarding the residency and admissions of students. The staff is directed to ensure that all forms and regulations are fully executed and conform to this policy.

I. RESIDENCY (Legal Reference: M.G.L. Chapter 76, Section 5)

In order to attend the Wilmington Public Schools, a student must actually reside in Wilmington, unless the exception (set forth in Part V below) applies. The residence of a minor child is ordinarily presumed to be the legal residence of the child’s parent or legal guardian having physical custody of the child. A student’s actual residence is considered to be the place where he or she lives permanently. In determining residency, Wilmington Public Schools (WPS) retains the right to require the production of a variety of records and documentation and to investigate where a student actually resides.

A determination that a student does not actually reside in the Town of Wilmington renders the student ineligible to enroll in the WPS or, if the student is already enrolled in the WPS, shall result in the termination of such enrollment. A parent, legal guardian, or student who has reached the age of majority (18), who is aggrieved by a determination of residency, may appeal the determination to the Superintendent of Schools, whose decision shall be final.

II. VERIFICATION OF RESIDENCY

Before any student is enrolled in the WPS, his or her parent or legal guardian must provide:

1. A signed Statement/Affidavit of Occupancy (see below); and
2. Proof of Residency in Wilmington (3 documents)

All applicants for enrollment must submit at least one document each from Column A, B, and C and any other documents that may be requested, including but not limited to those from Column A, B, or C (noted below). A parent, guardian, or student who is unable to produce the required documents should contact the Superintendent of Schools.

Notice of Non-Discrimination

All educational and non-academic programs, activities and employment opportunities at Wilmington Public Schools are offered without regard to race, color, sex, religion, national origin, ethnicity, sexual orientation, gender identity, homelessness, age and/or disability, and any other class or characteristic protected by law.
### COLUMN A
**Evidence of Residency**
- Full signed and executed Lease and/or Rental Agreement (Must be executed by both parties)
- Record of recent mortgage payment and/or property tax bill
- Landlord/Owner of Property Affidavit (see Residency Statement/Affidavit below)

### COLUMN B
**Evidence of Occupancy**
- Recent bill dated within the past 45 days showing Wilmington address and name (Note: A Residency Statement/Affidavit is required with this option)
- Fully signed and executed Purchase and Sale (P&S) Agreement (provided occupancy date occurs within 30 days of enrollment)

### COLUMN C
**Evidence of Identification (Photo ID)**
- Valid Driver’s License
- Valid Photo ID Card
- Valid Passport
- Other Government issued Photo ID

The Principal, or his/her designee, shall verify the home address and home telephone number of each student at least once during the school year. Any irregularities shall be reported promptly to the Superintendent of Schools. Parents are required to notify the school of any changes of their address or the address of the student **within five business days of the change.**

### III. ENFORCEMENT

Should a question arise concerning any student’s residency elsewhere while attending the WPS, the student’s residency will be subject to further inquiry and/or investigation. Such questions concerning residency may arise on the basis of incomplete, suspicious, or contradictory proofs of address; anonymous tips; correspondence that is returned to the WPS because of an invalid or unknown address, or other grounds.

The Superintendent may request additional documentation, may use the assistance of the School Department’s Attendance Officer, and/or may obtain the services of police or investigative agency personnel to conduct investigations into student residence. The Attendance Officer and/or residency investigator(s) will report his or her findings to the Superintendent of Schools, who shall make final determination of residency.

Upon an initial determination by the Superintendent of Schools that a student is actually residing in a city or town other than Wilmington, the student’s enrollment in WPS shall be terminated immediately.
IV. PENALTIES

In addition to termination of enrollment and the imposition of other penalties permitted by law (M.G.L. Chapter 76, Section 5), the WPS reserves the right to recover restitution based upon the costs of educational services provided during the period of non-residency.

V. EXCEPTION

1. The Residency Requirements shall not apply to the following:

   a. Students who are entitled to attend the Wilmington Public Schools under the McKinney-Vento Homeless Assistance Act.

   b. Students already enrolled in the WPS who move out on or after February 1st of a given school year, or in the case of 8th graders and Wilmington High School seniors who move out on or after October 1st of a given school year, may complete the current school year provided they have made the Superintendent of Schools aware of the move in writing within 5 business days of such move.

   c. Students whose parents divorce or separate and share physical custody, provided one custodial parent remains a resident of Wilmington and the student resides at least 50% of the time with the parent who resides in Wilmington. (Legal documentation must be provided to school office)

VI. POTENTIAL WAIVER WHEN RESIDENCY IS IN TRANSITION

For students whose residency is in transition, the following exceptions to the general policy may apply, with prior written approval from the Superintendent of Schools:

1. **Pending Purchase of Dwelling**
   The children of families who have signed and accepted Purchase and Sale Agreement to purchase and reside in a dwelling in the Town of Wilmington may be enrolled up to 30 calendar days in advance of the time actual physical residence occurs. If actual residence occurs later than 30 days after enrollment, students may be asked to leave the Schools until actual residence occurs.

2. **Construction of New Dwelling**
   Children of families which are building a primary residence in Wilmington may enroll in the Schools at the beginning of the school year if they have obtained a certificate of occupancy from the Town.

VII. NOTIFICATION

The Wilmington Public School residency requirements, verification procedures, and consequences of falsifying or misrepresenting residency will be published in the Wilmington Public School’s Policy Manual, and published in each school handbook.

Certificate of Immunization

Massachusetts Department of Public Health 7-13
The MIIS is a new statewide system to keep track of immunization records for you and your family. These records list the vaccinations (shots) you and your children get to protect against measles, chickenpox, tetanus, and other diseases. The goal is to make sure that everyone in Massachusetts is up-to-date with their shots and that your records are available when you need them – such as when your child enters school, when you need emergency medical help, or when you change healthcare providers.

**What is the MIIS?**
- A computerized system that collects and stores basic immunization information for people who live in Massachusetts.
- A secure and confidential system, as required by Massachusetts law.
- A system that is available for people of all ages, not just children.

**How will it help me?**

The MIIS:
- Helps you and your family get the best care wherever you go for your healthcare.
- Makes sure that you and your children don’t miss any shots or get too many.
- Can print a record for you or your children when you need it – if you move, if your doctor retires, or when your child starts school or camp.

**Why is this important?**

As you know, the schedule of shots needed to keep healthy can be very complicated. The MIIS:
- Helps your healthcare provider keep track of which shots are due and when they should be given.
- Keeps all your immunization records together for you, your family, and your healthcare provider.
- Provides proof of vaccination for your children.
- Helps prevent outbreaks of disease like measles and the flu in your community.
- Keeps shot records safe during natural disasters such as flooding or hurricanes.
What information is kept in the MIIS?

- A list of shots that you or your children have received as well as any that you or your children get in the future.
- Information needed for safe and accurate immunization of each patient, such as:
  - Full name and birth date.
  - Gender (male or female).
  - Mother’s maiden name (for children).
  - Address and phone number.
  - Provider office where each shot is given.

Who has access to my records?

- The Department of Public Health (DPH) uses modern technology to make sure that all information entered into the MIIS is kept secure and confidential.
- The information in the MIIS is only available to:
  - Healthcare providers or others ensuring appropriate immunization, as authorized by DPH.
  - Schools.
  - Local boards of health.
  - DPH, including the WIC program, and other state agencies or programs that provide education and outreach about vaccines to their clients.
  - Studies specially approved by the Commissioner of Public Health which meet strict legal safeguards.

How does this information get into the system?

- Information about children is added when a child is born or when a child gets his or her first shots.
- Your healthcare provider can add your records or your family’s records if they are not already in the MIIS.

What if I don’t want my information shared?

- You have the right to limit who can see your information.
- To limit who can see your information, you need to fill out the ‘Objection or Withdrawal of Objection to Data Sharing’ form which you can get from your healthcare provider.
- If you decide to limit who can see your information, your current healthcare provider will be able to see the shots they have given to you or your children, but may not be able to see your complete immunization history.
- If you decide to limit who can see your information, you will not have access to all of the benefits of the MIIS, like sharing your immunization records with schools and emergency rooms, and a complete record of shots in a single place.
- You can change your mind (decide to share or not share your information) at any time.

How can I get more information?
Please visit our website at www.mass.gov/dph/miis, contact the Massachusetts Immunization Program directly at 617-983-6800 or 888-658-2850, or ask your healthcare provider for more information.
Dear Parents/Guardians:

In order to meet the Immunization and Tuberculosis (TB) screening requirements set by the Massachusetts Department of Public Health upon school entry, **ALL NEW students FROM outside of the United States** must call the Public Health Nurse **prior to the beginning of the school year**. Please have a copy of your immunization record available when calling. If a series of immunizations is needed, the Public Health Nurse will provide information on local clinics.

**Proof of MA required immunizations and TB status are necessary before school entry.** In order to avoid delay in starting school, please call the Wilmington Board of Health as soon as possible.

Sincerely,

Home Language Survey

Massachusetts Department of Elementary and Secondary Education regulations require that all schools determine the language(s) spoken in each student’s home in order to identify their specific language needs. This information is essential in order for schools to provide meaningful instruction for all students. If a language other than English is spoken in the home, the District is required to do further assessment of your child. Please help us meet this important requirement by answering the following questions. Thank you for your assistance.

Dear Parent:

Welcome to the Wilmington Public Schools. In this packet you will find forms and information regarding screenings, medical information, a registration form and Wilmington Public Schools program offerings.

Attached you will find a questionnaire that will help us learn more about your child. The questions on the attached questionnaire concern your child’s everyday behavior and medical history. You know your child best so your careful answer to each question will be important.

Please try to complete every item on the questionnaire, as it is important for the School department to have this information on file. Upon completion please return the questionnaire as soon as possible and/or no later than March 29, 2019 to the school where you registered your child. Your cooperation in returning the questionnaire will make the screening process more efficient and smooth on the day of you and your child’s arrival. The purpose of this screening is to assess your child’s developmental skills in the areas of communication, language, motor and pre-academic skills. During this screening your child will complete a variety of activities that show how your child is developing and learning. This allows children with weaknesses in these areas to be monitored during their kindergarten year.

If you have any questions please feel free to call our Student Support Services Office at 978-694-6032.

Sincerely,

Alice Brown-LeGrand
